

SERVICE CAPABILITY – HR CHASE

Factory & Industrial Compliance

SEAMLESS EXECUTION FOR MANUFACTURING EXCELLENCE

End-to-end factory licensing, MPCB approvals, and Factories Act compliance – enabling manufacturers across Maharashtra to operate legally, safely, and without disruption.

Factory Licensing (DISH)

Plan & Layout Approvals

MPCB CTE & CTO

Factories Act 1948

Statutory Registers & Filings

01 – FACTORY & INDUSTRIAL COMPLIANCE

Seamless Execution for Manufacturing Excellence

We manage the complete factory compliance lifecycle – from plan approvals and licensing through to annual filings and inspection coordination – so your operations never face regulatory interruption.

- > Factory License (DISH), Maharashtra – new & renewal
- > Factory Plan & Layout Approvals
- > Compliance management under the Factories Act, 1948
- > MPCB – Consent to Establish (CTE)
- > MPCB – Consent to Operate (CTO)
- > Statutory register maintenance & records management
- > Inspection coordination & authority representation
- > Annual & periodic statutory filings

Seamless execution for manufacturing excellence – we keep your factory legally compliant at every stage.

HR CHASE – FACTORY COMPLIANCE PRACTICE

02 – CONSULTANCY & ADVISORY

Strategic Regulatory Intelligence

Proactive advisory tailored for Maharashtra's industrial ecosystem – ensuring your factory is always ahead of regulatory change and ready for inspection.

- > Advisory under the Factories Act & allied industrial laws
- > Statutory applicability mapping for your operations
- > Compliance risk & gap assessments
- > Inspection representation & dispute prevention
- > Ongoing compliance oversight & monitoring

03 – KEY INDUSTRIAL REGISTRATIONS

Supporting Registrations & Licences

- > Labour & Contract Labour (CLRA) Licensing
- > EPF, ESIC & Professional Tax Registration
- > MSME (Udyam) Registration
- > Labour Welfare Fund (LWF) Registration
- > Amendments & renewals across all licences

OUR COMMITMENT

Regulatory Strength for Industrial Operations

We manage the complete regulatory lifecycle – from establishment to ongoing operation. Every licence current. Every inspection passed.
